Our platform is a decentralized autonomous organization (DAO) and digital wallet designed to facilitate token purchases, lending, and staking through a single, streamlined interface. In addition, the platform supports cross-border payments, business payment solutions, and efficient fiat-to-crypto and crypto-to-fiat conversions—services currently utilized by the Bank of Brazil. This makes it a versatile and trusted tool for both individual users and enterprise-level financial operations

The image displays a grid of 10 screenshots of the Degen Forest + Bank of Brazil mobile application interface, arranged in two columns of five. The screenshots illustrate various features of the platform:

- Portfolio Insights:** Shows a main portfolio with a total value of \$2,574.70. Holdings include ETH, LINK, ONDO, AAVE, SPX, and WILD.
- You Receive:** A screen for receiving tokens, showing a balance of 0 AVAX.
- Earnings Dashboard:** Displays available balance (1000 MOOLA) and total earnings (3000 MOOLA). It includes a referral program section: "Refer a Friend & Earn 200 Tokens!"

Founded to revolutionize the approach to digital asset insurance, encompassing a broad range of tokenized real-world assets. By Redefining Token Trading and Ownership, Our pioneering regulatory initiative is set to redefine token trading, aligning unregistered tokens with legal frameworks for enhanced legitimacy and security.

The image displays the QORRA platform interface across three main sections: the homepage, a dashboard, and a specific NFT insurance detail page.

Homepage: Features a large banner with the text "Let's find you the Best Insurance". Below the banner are buttons for "Request demo" and "View Insurance Plans". The main content area shows a "Connected wallets" section with "MetaMask" and "Curious Wallet" listed, and an "NFTs (20)" section showing a grid of 20 items from "Blue River Store". A sidebar on the left shows a circular image of three people and the text "About Qorra".

Dashboard: Shows a summary of "Insured NFTs (10)" under "MetaMask (56 NFTs)". The list includes items like "Blue River Store" and "PCE FRIEND".

NFT Insurance Detail: Shows a "MetaMask" section with "Blue River Stone" (Estimated Value: \$100.00). It includes a slider for "Insure Amount" set at \$2.50, a "Cancel" button, and a prominent "PAY NOW" button.
